## **Category Descriptions**

**Resilience** ~ This woman faced adversity that could have caused her to crumble, but instead she overcame. She emerged from a daunting chapter of her life as a stronger, wiser woman. This woman adapted, adjusted, and recovered from hardship in stunning fashion.

**Hope** ~ This woman is a source of comfort and peace to those around her. She radiates optimism in the face of challenging circumstances, coming along side others facing uncertainty or difficulty with encouragement, infusing them with the belief that all will be well.

**Determination** ~ This woman pushes through all obstacles standing in the way of her target goal. Whether it is the challenge of a new business, the vision for meeting an unmet need, or conquering a physical challenge, she is achieving her goal with unwavering fortitude, spunk, and tenacity.

**Courage** ~ This woman stepped out of her comfort zone, either by choice or by circumstance, and faced a challenge with grace and dignity. She ventured where safety and familiarity were substituted by uncertainty. The journey of how she traveled with courage was more significant perhaps than the outcome.

**Generosity** ~ This woman possesses a spirit of kindness that comes to life through her selfless actions. Her benevolence goes beyond mere words. She gives to others her time, her emotion, her knowledge, and precious resources expecting nothing in return.

**Innovation** ~ This woman created a program, group, or event that served a need. Perhaps it was reinventing a new way of doing something. Perhaps it was fulfilling a need that had never been met. Either way, she followed her vision and created something wonderful, be it in the classroom, in the lives of families, in the workplace, or throughout community.
