# Scholarship Award Program

## High School Scholarships:

\$500.00 is awarded to a female high school student using the following guidelines:

- Female
- GPA of 2.0-3.5
- Plans to attend a Community College or Vocational School
- Has a financial need

We ask the counselors to select 8 candidates for our members to interview and select. This process will take place in April. We will hold a luncheon in honor of the recipient in mid May. A Soroptimist member will also award the scholarship during graduation and or awards assemblies at your school.

## Intermediate Schools:

A \$50.00 Savings Bond is given to a girl being promoted to High School. This student should embody leadership skills as well as the ability to get along with students and teachers alike. We would also hope the young woman would be involved in their community. The award should not be based on scholastic achievement alone.

The choice is yours. You may select the awardee yourself or ask a group of teachers to make the selection for you.
